**Re: First Interim Report of IBRC Commission.**

Dear Taoiseach,

Further to my letter of 5<sup>th</sup> November 2015, I attach herewith a copy of the first Interim Report of the Commission pursuant to Section 33(3) of the Commissions of Investigation Act 2004.

This Interim Report sets out the work which has been undertaken by the Commission since its establishment, outlines issues which it has encountered and work which requires to be done.

For the reasons set out in the Interim Report I hereby request an extension of time for submitting the Commission's final Report under Section 6(6) of the Act.

The Commission has not set out in its Interim Report any detailed recommendations as to how the problems which it has identified could be resolved. However, if requested to do so by your officials or the Attorney-General and her officials, the Commission would welcome an opportunity to discuss some possible solutions to the problems which have arisen so as to ensure that these problems are resolved and the Commission can continue with its investigations.

Yours sincerely

**The Honourable Mr Justice Brian Cregan**  
**Sole Member**
